

CAYMAN ISLANDS

Supplement No. 1 published with Gazette No. 19 of 1994.

**THE POSTAL (AMENDMENT) (NO. 2)
REGULATIONS 1994**

Made in Council this 30th day of August, 1994.

MONA N. BANKS-JACKSON

Clerk of Executive Council.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations give effect to the recent review of the postal services' rates of postage. These rates were reviewed to determine whether they reflected the costs to the Post Office of providing the various postal services. It was found that the rates for international letter mail, which were last changed in 1991, do generally reflect the costs of providing those services. However, the rates for international postcards and parcels, and local postage rates were last changed in 1977 and it has been necessary to increase these rates. The new rates will help the Post Office to continue to invest in new facilities and services for the benefit of all its customers.
