

ERRATA

In the Companies Law (Revised), published as **Supplement No. 1 to Gazette No. 24** dated 19th November, 1990, the proviso to section 31(1) (formerly section 30A) was inadvertently omitted. To correct this error, a colon should be substituted for the full-stop at the end of subsection (1) of section 31, and the following proviso to the subsection restored:

"Provided that the Financial Secretary may at his discretion, in the case of an exempt company so empowered that has never issued bearer shares, certificates or coupons, exempt that company in writing from the provisions of subsection (1) for as long as it does not issue bearer shares, certificates or coupons."
