Supplement No. 3 published with Official Gazette No. 7 of 1977

**THE ANIMALS
(AMENDMENT) LAW, 1977
(Law 3 of 1977)**

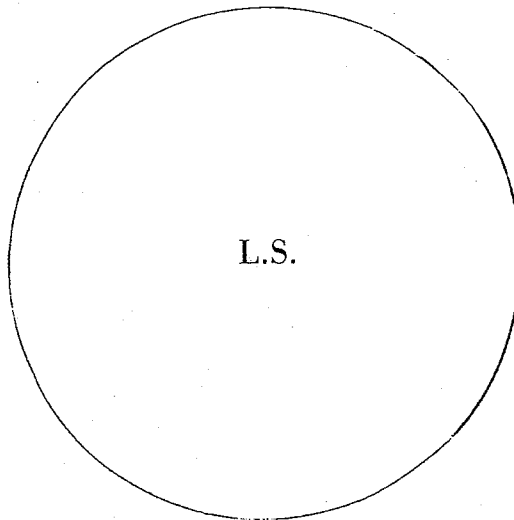

CAYMAN ISLANDS

MEMORANDUM OF OBJECTS AND REASONS

The definition of "biological product" in section 2 of the Law is insufficiently wide to enable the C.A.V.O. to exercise the control over imports considered necessary and it is sought to remedy this defect. It is also desired to render the C.A.V.O. in some measure subject to directions from the Governor in Council and to repeal the Animals Importation Law.
