REGULATIONS, 2021
(SL 30 of 2021)**

In exercise of the powers conferred by section 34 of the Public Health Act (2021 Revision), the Cabinet makes the following Regulations —

Citation and commencement

1. (1) These Regulations may be cited as the Control of Covid-19 (Amendment) Regulations, 2021.
- (2) These Regulations come into force immediately after the commencement of the *Control of Covid-19 Regulations, 2021*.

Amendment of regulation 4 of the Control of Covid-19 Regulations, 2021 - restrictions on arrival of persons to the Islands who are vaccinated against the virus to control the spread of the virus

2. The *Control of Covid-19 Regulations, 2021* are amended in regulation 4 as follows —
 - (a) in paragraph (4)(b), by inserting after the words “with regard to”, the words “isolation and”; and
 - (b) by repealing paragraph (6) and substituting the following paragraph —

“(6) Where a person under paragraph (1) who arrives in the Islands (“the vaccinated person”) intends to isolate with an unvaccinated person —

- (a) the vaccinated person shall, for such period from the date of arrival as may be determined by the Medical Officer of Health, which period shall be no less than fourteen days, for the purpose of surveillance by the Medical Officer of Health —
 - (i) remain at a private residence or such other place of isolation as specified by the Medical Officer of Health; and
 - (ii) be subject to such directions as are provided by the Medical Officer of Health; and
- (b) the unvaccinated person shall, for such period as may be determined by the Medical Officer of Health, which period shall be no less than fourteen days, be subject to such directions as are provided by the Medical Officer of Health, including directions with regard to isolation of the unvaccinated person and testing of the unvaccinated person for the virus.”.

Made in Cabinet the 19th day of March, 2021.
