(5) Where an elector requires the presence of a friend in accordance with subsection (4) that person shall not be allowed to be present unless he first takes the oath in Form 29.

(6) Whenever any elector has had his ballot paper marked as provided in subsection (4) the poll clerk shall enter in the poll book opposite the elector's name, in addition to any other requisite entry, the reason why such ballot paper was so marked.

11. (1) The returning officer shall give each candidate not less than two days notice in writing of the time and place at which he shall issue the postal ballot papers and of the number of agents such candidate may appoint under rule 9(2) to attend the said issue.

Notice of issue of postal ballot papers

(2) Where any subsequent issue of postal ballot papers is made, the returning officer shall notify each candidate as soon as practicable of the time and place at which he will make such subsequent issue and of the number of agents such candidate may appoint under rule 9(2) to attend such issue.

12. (1) Before the issue of a postal ballot paper the name and number of the elector shall be called out and such number shall be marked on the counterfoil and a mark shall be placed in the absent electors' list against the number of the elector to denote that a ballot paper has been issued to the elector but without showing the particular ballot paper issued.

Marking of postal ballot papers

(2) The number of a postal ballot paper shall be marked on the declaration of identity sent with that paper.

- Refusal to issue postal ballot paper 13. Where a returning officer is satisfied that two or more entries in the absent electors' list relate to the same elector, he shall not issue more than one ballot paper in respect of the same elector.
- Ballot paper envelope 14. A returning officer shall, in addition to the ballot paper, declaration of identity and envelope for their return (hereinafter referred to as a "covering envelope") which he is required by rule 6 to send a postal elector, send a smaller envelope marked "ballot paper envelope" bearing the number of the ballot paper.
- Delivery of postal ballot papers to post office 15. All envelopes addressed to postal electors shall be counted and forthwith delivered by the returning officer to the nearest head post office, or such other office as may be arranged with the Postmaster General, and the Postmaster General shall stamp with the post office date stamp a form of receipt to be presented by the returning officer stating the number of envelopes so delivered and shall immediately forward such envelopes for delivery to the persons to whom they are addressed.
- Provision of postal electors ballot boxes 16. (1) The returning officer shall, at the proceedings on the original issue of postal ballot papers provide a ballot box or ballot boxes for the reception of the covering envelopes when returned by the postal electors.
- (2) Every such ballot box shall be shown open and empty to the agents present and shall then be locked by the returning officer and sealed with the seal of the returning officer and the seals of such of the agents as desire to affix their seal in such manner as to prevent its being opened without breaking the seals.
- (3) Every such ballot box shall be marked "Postal electors ballot box" and with the name of the electoral district for which the election is held.
- (4) The returning officer shall make provision for the safe custody of every ballot box.
- Sealing up of absent electors' lists and counterfoils 17. (1) The returning officer as soon as practical after the completion of the issue of the postal ballot papers and in the presence of the agents, shall make up in separate packets-
- (a) a marked copy of the absent electors' list; and
- (b) the counterfoils of those ballot papers which were issued,
- and shall seal such packets.
- (2) The sealed packets may be opened by the returning officer for the purpose of a subsequent issue and on completion of that issue shall be again made up and sealed in accordance with subrule (1).

18. The returning officer shall, immediately upon receipt (either by hand or by post) of a covering envelope before the close of the poll, place it unopened in a postal electors' box locked and sealed in accordance with rule 16.

Receipt of covering envelopes

19. (1) Each postal electors' ballot box shall be opened by the returning officer in the presence of the agents at the close of the poll.

Opening of postal electors' ballot box

(2) When a postal electors' ballot box has been opened, the returning officer shall count and note the number of covering envelopes.

20. (1) Before proceeding to open the covering envelopes, the returning officer shall, for the purpose of receiving the accepted ballots of the postal electors, prepare a ballot box by showing it open and empty to the agents present and by locking it and by having affixed thereto the seal of the returning officer and the seals of such agents as desire to affix their seals in such manner as to prevent the box being opened without breaking the seals.

Opening of covering envelope

(2) The returning officer shall open each covering envelope separately.

(3) Where a covering envelope does not contain both a declaration of identity and a ballot paper envelope or, there being no ballot paper envelope, a ballot paper, he shall mark the covering envelope "Rejected", attach thereto the contents (if any) of the covering envelope and place it in a separate receptacle (hereinafter referred to as "the receptacle for votes rejected"). If the covering envelope does not contain the declaration separately, the returning officer shall open the ballot paper envelope to ascertain if the declaration is inside that envelope.

(4) On determining that an envelope contains both a declaration of identity and a ballot paper envelope or, if there is no such envelope, the ballot paper, the returning officer shall first satisfy himself that the declaration of identity has been duly signed and authenticated and, if he is not so satisfied, he shall mark the declaration "Declaration rejected", attach thereto the ballot paper envelope or, if there is no such envelope, the ballot paper, and place it in the receptacle for votes rejected:

Provided that before so doing he shall show the declaration to the agents and, if any objection is made by any agent to his decision, he shall add the words "Rejection objected".

(5) Where the number on the declaration of identity duly signed and authenticated agrees with the numbers on the ballot paper envelope, the returning officer shall place the declaration in a separate receptacle (hereinafter referred to

as “the receptacle for valid declaration of identity”) and the ballot paper envelope in another separate receptacle (hereinafter referred to as “the receptacle for valid ballot paper envelopes”).

(6) Where there is no ballot paper envelope or the ballot paper envelope has been opened under subrule (3) the returning officer shall-

- (a) if the number of the declaration of identity duly signed and authenticated agrees with the number on the ballot paper, place the declaration in the receptacle for valid declarations of identity and the ballot paper in a ballot box referred to in subrule (1); and
- (b) if the number on the said declaration does not agree with the number on the ballot paper, mark the declaration “Vote rejected”, attach thereto the ballot paper and place it in the receptacle for votes rejected.

(7) Where the number on the declaration of identity duly signed and authenticated does not agree with the number on the ballot paper envelope or that envelope has no number on it, he shall open the envelope and shall-

- (a) if the number on the declaration agrees with the number on the ballot paper, place the declaration in the receptacle for valid declarations of identity and the ballot paper in the ballot box referred to in subrule (1); and
- (b) if the number on the declaration does not agree with the number on the ballot paper or there is no ballot paper, mark the declaration “Vote rejected,” attach thereto the ballot paper (if any) and place it in the receptacle for votes rejected.

(8) Except for the purposes of ascertaining under subrule (3) whether a ballot paper envelope contains a declaration of identity or under subrule (7) whether the number on the declaration agrees with the number on the ballot paper, the returning officer shall not open the ballot paper envelopes before they are opened under rule 22.

Sealing up rejected votes and declarations

21. On the conclusion of the proceedings under rule 20, the returning officer shall put the contents of the receptacle for votes rejected and the contents of the receptacle for valid declarations of identity into two separate packets and shall seal up such packets.

Opening of ballot paper envelopes

22. (1) After sealing up the said packets the returning officer shall open separately each ballot paper envelope placed in the receptacle for valid ballot paper envelopes.

(2) Where a ballot paper envelope does not contain a ballot paper, he shall mark the envelope “Empty”.

(3) Where the number on a ballot paper envelope agrees with the number on the ballot paper contained therein, he shall place the ballot paper in the ballot box referred to in rule 20(1).

(4) Where the number on the ballot paper envelope does not agree with the number on the ballot paper contained therein, he shall mark the ballot paper “rejected” and attach the ballot paper envelope thereto.

(5) He shall put into a separate packet the envelopes marked “Empty” and the ballot papers marked “rejected” under this rule and shall seal up such packet.

23. The ballot box referred to in rule 20(1) and the ballot papers placed therein under rules 20 and 22 shall respectively be treated in all respects as a ballot box and ballot papers for the purposes of section 56.

Count of postal ballots

24. (1) The returning officer shall, at the same time as he forwards the documents mentioned in section 59, forward to the Supervisor -

Forwarding of documents and handling of late ballots

- (b) a statement of the number of postal ballot papers issued in such form and giving such other particulars with respect to such papers as the Supervisor may require.

(2) Where any covering envelopes are received by the returning officer after the close of the poll or any envelopes addressed to postal electors are returned as undelivered too late to be re-addressed, he shall put them unopened into a separate packet, seal up such packet and forward it at a subsequent date in the manner described in subrule (1).

25. For the purposes of by-elections the form of ballot paper shall be as prescribed in Form 23 in the Law but that for the words “General Election” therein shall be prescribed in the word “By-Election”.

**FOURTH SCHEDULE**

section 20(2)

**Procedure for the Issuing of Electors Registration Cards**

1. The Supervisor of Elections shall, as soon as possible after a new Register of Electors comes into force, cause to be published in not less than four issues of a newspaper circulating in the Islands, and by such other methods as he shall deem necessary, a list of dates, times and locations within each electoral district at which electors who wish to be issued with electors registration cards shall attend.
2. When an elector attends at such specified location within his electoral district on the appointed date and time and satisfies the Supervisor of Elections that he is a registered elector in such electoral district, he shall have issued to him, by the Supervisor of Elections, an electors registration card.
3. The Supervisor of Elections shall cause a blank electors registration card to be completed by the insertion of all the information specified thereon, and to be signed by the elector and by himself.
4. The Supervisor of Elections shall cause a photograph of the elector to be taken and placed on the electors registration card, which shall be delivered to the elector. The fact that such a card has been issued shall be recorded on a list by the Supervisor of Elections who shall cause such list to be forwarded to the returning officer of the electoral district in which the elector is registered.
5. Notwithstanding that an elector has not attended at the location specified, the Supervisor of Elections, if he is satisfied that by reason of physical incapacity the elector has been unable to attend and if he has received an application for the issue of an electors registration card from such non-attending elector, shall cause arrangements to be made for the Supervisor of Elections to attend at such ordinary or temporary residence as the applicant elector has specified to enable a electors registration card to be issued to such elector.
6. If an elector has not attended at the location specified by the Supervisor of Elections but wishes to have an electors registration card issued to him, he shall so notify the Supervisor of Elections, and the Supervisor of Elections shall thereupon inform the elector of a date and time at which he may attend at the Elections Office in order that the procedures for the issue of such electors registration card may be carried out.

7. Each electors registration card shall be of a size no greater than 3 3/8" x 2 1/8" nor less than 2 7/8" x 1 7/8", shall be produced by means of a system approved by the Supervisor of Elections and shall be so produced that the information, photograph and signatures contained thereon shall be incapable of alteration.
