EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Immigration Regulations to increase work permit fees for the construction industry. This follows consultation with the representatives of the industry, the Cayman Contractors Association and the Cayman Islands Society of Architects, Surveyors and Engineers. The increases are in accordance with that consultation.

Work permit fees for all other categories of employees were increased in January 1994 by the Immigration (Amendment) Regulations 1994, Supplement No. 1 published with Extraordinary Gazette dated 14 January 1994.
