### EXPLANATORY NOTE

**(This note is not part of the Regulations)**

These Regulations amend the Pensions Regulations which are contained in the First Schedule to the Pensions Law. The amendment is to the application procedure for the recently announced *ex gratia* allowances to former civil servants. The deadline for applications has been extended until 15th February 1995 and an application now needs to be supported by only one affidavit. This change will allow applications received by 15th February with only one affidavit to be considered, including applications already made at the date these Regulations are Gazetted where the applicant was only able to provide one affidavit.
