FORM C

Memorandum to be furnished by Board to Parent or Guardian proposing to place child at disposition of Board

*Adoption of Children Law, 1967.*

If an adoption order is made in respect of your child,

all your rights and duties with regard to the child will be transferred permanently to the adopter. If you have taken out an insurance policy against funeral expenses for the child, the insurers will be able to advise you whether the policy can be transferred to the adopters, as is often the case.

It is for the adopters to apply for an adoption order, but unless there is some special reason to the contrary, the court which deals with the application will not make an order without your consent. The main grounds on which an adoption order can be made without the consent of a child's parents or guardians are that they have deserted the child or cannot be found or are out of their proper senses or otherwise incapable of giving consent. You may have to appear before the court in private to tell them whether you agree to the adoption.
